Subject: Functional Classification Revision

Date: November 15, 2016

Effective November 2, 2016 the Federal Highway Administration (FHWA) has approved the functional classification revisions for McHenry County as requested in our October 24, 2016 submittal. These updates are the result of a county-wide review of the functional classification system including all state, county, township, and municipal roads located within the county. The attached map will serve as the official functional classification map for McHenry County.

#	Street Name	Termini	Length (Miles)	Functional Classification Action	Jurisdiction & Maintenance
1	Main St	From Dead End To Georgetown Dr	0.20	Change from Major Collector to Local	Local Jurisdiction and Maintenance
2	Thompson Rd	From Existing Local Road To IL-120	0.25	Change from Minor Collector to Local	Township Jurisdiction and Maintenance

Good Morning Janell,

ESI Consultants Ltd. has been assisting Greg Runyard with IDOT on the review and processing of roadway functional classification requests. Previously, this was handled by Greg Hickey of our office but, as of January, I began managing these efforts. If there are any issues that you are currently corresponding with Greg Hickey, please now send to me with a copy to Mark Reznicek (mreznicek@esiltd.com).

Regarding the McHenry County FHWA functional classification, I found the attached approval memo from November in our files. Sorry this wasn't sent to you previously.

If you need anything else, please let me know.

Thanks,
Ben

Not a problem. I should have given you more notice on that. I was able to hear you just fine. I was ready to jump in if needed but you had it handled.

I will have Greg Hickey forward you the approval memo once we get it.

Good Afternoon Greg,

My apologies regarding the phone situation during today's MCCOM meeting. I had a 1:00 pm meeting, so I didn't see your email in time.

Not sure if you heard today's MCCOM meeting, but the council did not have any questions/comments. The council passed a resolution approving Functional Classification revisions proposed by IDOT via R16-002, which is attached. Please let me know if you need anything else, thank you.

Please let me know when FHWA makes their decision on the FC revisions. Thank you and it's been a pleasure working with you on this, you've been very helpful. Have a great day!

Thank you Greg. I just got the traffic counts for Prairie St (#64), which I've attached. The ADT for Prairie St (IL 23 to Taylor St) is 716.

Regarding your comments on Miller Rd (#31), I thought a project didn't have to be in the TIP (CMAP doesn't require a project be added to TIP if it's not using fed/state funds). However, the project still has to be planned to be constructed in the next 5 years.

Janell,

See the attached file with my comments and the updated submittal. Let me know if there are any further comments. I assumed that the AADT for Prairie St west of Taylor is similar to Washington St. Let me know when you get the Prairie St counts in and I can update the submittal if needed.

Thanks,

Greg

Greg,

Sorry for the delay to getting back to you with the supplemental information. I've attached the following:

- FC excel spreadsheet with council & PL comments
- LITH FC letter dated 8/5/2016
- Traffic counts for Ackman Rd
- W Wonder Lake Rd traffic count data taken on 7/20/2016
- Washington St traffic count data taken on 7/28/2016
- Marengo FC letter dated 7/14/2016
- Village of Cary's July 2016 machine count for the Village's portion of Cary-Algonquin Road between US Route 14 and Silver Lake Road to the north of the segment in question

I should be getting ADT traffic data for Prairie St in a day/two. Thank you for your assistance and have a great night!

Subject: RE: FHWA Functional Classification Guidelines

Janell,

Take a look at the updated proposal attached. I am still waiting for AADT data on Indian Trail and Prairie St. If you see anything else that I have missed let me know.

Subject: FHWA Functional Classification Guidelines

Janell,

Please find the FHWA guidelines and our 2 page summary attached. I also got approval on the change for Commercial Dr. I will change that from Local Road to Minor Collector.

Thanks,
