RE: Agenda Item 5 – Highway Safety Improvement Program (HSIP)

Highway Safety Improvement Program (HSIP)

On February 5, 2018, IDOT released the official call for projects for the Highway Safety Improvement Program (HSIP). Also included in their [circular letter](#) was a link to their Benefit / Cost Ratio tool which assists IDOT in selecting projects appropriate for HSIP funding. IDOT staff had originally agreed to give a presentation about HSIP funding to the McHenry County Council of Mayors at our March meeting, however scheduling conflicts required them to reschedule to a later date. Applications for HSIP projects will continue to be received through March 30, 2018. Announcement of the selected projects for funding will be made by June 15, 2018.

Additional information about the Highway Safety Improvement Program can be found on IDOT's website:
