

FFY 2018-2022 CMAQ/TAP Phase I Engineering Hardship Communities

The following communities meet the hardship requirements for applying for phase I engineering through the CMAQ and TAP programs in northeastern Illinois. Even though a community qualifies for the hardship exemption does not guarantee funding for phase I engineering. All projects must meet the remaining screening criteria and will be evaluated for scoring criteria.

Beach Park	McCook
Beecher	Merrionette Park
Berkeley	Midlothian
Big Rock	Millbrook
